Biography

Hello, I'm Leanne Fortney, a contemporary figurative painter exploring the psychological side of portraiture and the stories that exist within human presence. Working primarily in oil with a restrained palette, I combine classical painting techniques with a contemporary sensitivity to inner life. My figures often inhabit quiet, reflective spaces where small gestures, expressions, and atmosphere hint at emotion rather than tell a direct story.

Education

Master of Arts in Art History

George Mason University, 30 graduate credits

Master of Arts in Teaching in Art Education

University of South Carolina, 23 graduate credits

Bachelor of Arts in Art History
